Residential Walk Through Building Permit Process Licenses and Permits Division

The residential walk through building permit process applies to miscellaneous residential permits including garages and additions less than 600 square feet total. This procedure will allow the same day issuance of building permits in this category only.

NOTE: Effective October 1, 2004, properties served by well and septic require prior approval by Environmental Health Department before starting the walk-through process. (see below)

Who is eligible to apply?

- Homeowners/contractors/owner's agent

When are applications accepted?

- **Wednesdays and Thursdays only between the hours of 1:00 p.m. to 3:00 p.m.**
- All applications must be made in person

Where do you apply?

- Front Counter
Licenses and Permits Division
3430 Court House Drive; Ellicott City, MD 21043
